

Women's Mental Health Programs in Southern California

These are **comprehensive** Women Mental Health Clinics, usually affiliated with a University or with County Programs. They offer medication management psychotherapy, support groups, classes and case management.

ORANGE COUNTY

Hoag Maternal Mental Health Program and Clinic*

949-764-8191 | Monday-Friday, 9 a.m. – 5 p.m. | hoag.org/mmh
500 Superior Ave., Suite 315, Newport Beach, CA 92663

The clinic treats women trying to conceive, pregnant women and new moms up to one year after delivery.

The clinic offers individual and group psychotherapy with a licensed marriage and family therapist as well as medication safety evaluations and management during pregnancy and breast-feeding by a reproductive psychiatrist. The program also offers free support groups by licensed therapists every Monday at 6 p.m. and every Wednesday at 11 a.m.

Many insurances accepted.

Reproductive Psychiatrists

These are physicians who specialize in Women's Mental Health. They provide psychiatric services to women struggling with mental health conditions during pregnancy, post-partum, menopause, infertility, pregnancy loss and menses. Services may include medication management and/or psychotherapy (also known as counseling).
