

MATERNITY CASH PAYMENT and FINANCIAL INFORMATION

Please Note: All payments are expected prior to leaving the hospital prior to obtaining a zero-balance letter.

Hospital Services and Payment:

Thank you for choosing Hoag as your facility for delivering your precious baby. For those patients who do not have insurance coverage, or elect to not utilize their insurance, the following rates apply and include the hospital fees for the mother and the baby. These fees must be paid prior to admission.

Routine (Average Services) Vaginal Delivery:	\$20,000
Routine (Average Services) Cesarean Section:	\$22,500

Should your use of *services exceed* the hospital *average* for a routine delivery additional payment will be expected prior to leaving the hospital.

Initials: _____

Charges exceeding \$31,500 for vaginal delivery or \$63,000 for a cesarean section **and** a length of stay greater than 2.5 days for vaginal delivery or 3.5 days for cesarean section will receive a **35% discount** off non routine charges exceeding average services.

Initials: _____

Non-Routine (*Exceed Average Services*) Deliveries: Additional Payment

Medical situations or hospital services which are non-routine include but are not limited to: OB emergency department visit, fetal diagnostic testing, maternal hemorrhage, preterm delivery, maternal or newborn stay in the intensive care unit, extended length of stay beyond 2.5 days for vaginal delivery or 3.5 days for C-Section.

Physician Services and Payment:

Any services provided by a physician must be paid separately to the physician prior to discharge. Physician specialties providing services in most deliveries include:

- Obstetrician
- Pediatrician
- Anesthesiologist

Physician specialties providing services in non-routine care include, but are not limited to:

- Maternal Fetal Medicine/Perinatologist
- Critical Care Specialist/Intensivist
- OB Hospitalist
- Neonatologist
- Interventional Radiologist
- GYN Surgeon
