Hoag Prime

Providing an enhanced level of health care.

Introducing Hoag Prime, a membership-based program that provides patients with added benefits and features to complement your overall health care experience.

Features of Hoag Prime include:

- Expanded care team comprised of:
  - **Physician** – Serves as the leader and cornerstone of your health care experience with increased access and availability
  - **Medical assistant** – Provides support to both you and your physician
  - **Clinical care coordinator** – Assists with insurance prior authorizations and serves as your navigator throughout the Hoag health care system
  - **Member concierge assistant** – Assists with coordinating office appointments, providing membership information and answering billing questions

- Same day appointments, in office or telehealth
- Longer, unrushed appointment times
- Minimal wait time
- Personal notification from your physician on your test results
- In-office laboratory services
- After-hours nurse support line

Cost: $125/month
